

Hello Morulas,

We are happy to announce that the **roommate matching program** will be available for the 49th Annual Conference of the IETS in Lima, Peru, January 16-19, 2023. The objective of the program is to help Morula members reduce the cost of their conference visit by finding someone to share a hotel room with. If you are interested in participating in this program, please email the following information to [morulas@iets.org](mailto:morulas@iets.org). Once we receive your information, we will put you in contact with other potential roommates.

Rooms are available at the Westin Lima Hotel & Convention Center at a rate of \$210.00 per night, not including taxes and fees, and you are allowed two guests per room. As sharing a room can cut your costs in half, we hope to be able to match you with other compatible Morulas and save money on hotel fees. If you are interested, please send in your information promptly in order to find room match(es).
