

2021 Annual Conference

After thoughtful consideration, the IETS Board of Governors has decided to cancel the on-site 2021 IETS Annual Conference and transition the meeting into a virtual experience. The health and safety of IETS members and stakeholders is our priority, and this was felt to be the best and safest course of action in light of the evolving COVID-19 pandemic. In agreement with the local organizing committee, the meeting in Lima, Peru, will be postponed to a subsequent year. Specific arrangements will be forthcoming soon. In any case, we will keep accepting abstracts and do our best to make it a wonderful virtual experience. The deadline for abstracts remains the same and we look forward to receiving your contributions!

Pascale Chavatte-Palmer, IETS president
